

EASTERN UPPER PENINSULA  
INTERMEDIATE SCHOOL DISTRICT

---

December 10, 2021

The tragedy that occurred in the Oxford community continues to impact us - as educators, as parents, as community members. The impact of this senseless act towards the students at Oxford shakes us. Our thoughts remain with the entire Oxford school community. Our children, wherever they reside, are the most important part of our world. As administrators in the Eastern Upper Peninsula, we have dedicated our lives to your students and in turn consider everyone's children OUR children.

At all times, the safety of students and staff is our top priority. We all have a responsibility in keeping our students and staff safe. If you see something, say something. Students, families, or other individuals who have information about any potentially harmful event should immediately contact local law enforcement: Call 911, or report anonymously via OK2SAY. Contact OK2SAY via phone: 855-565-2729, or text: 652729, or email: OK2SAY@mi.gov.

School officials are working with law enforcement and take every threat seriously. There are serious consequences of making these threats. Individuals making these claims will be prosecuted to the fullest extent. Parents, please talk to your children about the seriousness of these actions.

Let's work together to ensure our schools are safe and nurturing environments for learning for all our students.

Sincerely,
