

EASTERN UPPER PENINSULA  
INTERMEDIATE SCHOOL DISTRICT

February 19, 2021

Dear Parents, Students and Community:

Over the last year, the staff at the Chippewa County and LMAS District Health Departments have been invaluable to the school administrators and staff of the region. Health department representatives have met with administrators at least weekly to provide information and guidance as schools maneuvered through the COVID pandemic. Ultimately, with this guidance, we were able to make decisions based on the safety of our students and staff. Additionally, the health departments worked to provide vaccines for all interested educators in the region.

We sincerely appreciate the time and effort of our health departments and want to publicly recognize them for their efforts on behalf of our students, staff, and the community. Their hard work, dedication and support of our local communities has not gone unnoticed. We truly appreciate the partnership between the health departments and the schools. Thank you for your efforts and work throughout the last year!

Sincerely,

Ms. Angie McArthur, Eastern Upper Peninsula Intermediate School District

Mr. Brian Reattoir, Brimley Area Schools

Mr. Bill Henry, Consolidated Community School Services

Mr. Robert Vaught, DeTour Area Schools/DATA

Mr. Joshua Reed, Engadine Consolidated Schools
