

## PRIVATE PILOT GROUND SCHOOL

This ground school is designed to provide the student with the knowledge required to pass the FAA Private Pilot Written Exam. Passing this exam is one of the steps required to become an FAA licensed pilot.

Cost for complete school is \$450+books or \$10/class for certified pilots

*Sharing the excitement of flight for over 30 years!*

Classes begin June 1st and will run Tuesdays and Thursday for 8 weeks from 5-7pm

Certificated pilots are invited to join individual classes to review specific areas of knowledge to improve their understanding.
