

# EUIPSD LEARNING CENTER

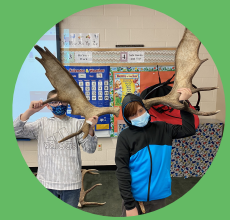

## TEACHER AND STAFF APPRECIATION

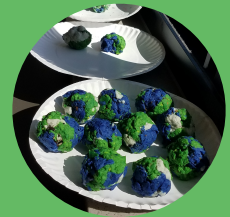

This year in education has been one like no other, certainly one we will remember for many years to come. The EUIPSD Learning Center is home to an amazing group of educators- teachers, assistant teachers, instructional aids, bus drivers, bus aides and ancillary staff members. These kind, patient, hard-working, dedicated, and understanding professionals have continued to mold our students and guide them in a positive direction through a very uncertain year. The very best thing about the pictures above is that even with a mask on these faces, you can still see smiling eyes. A very BIG thank you to the staff at the Learning Center for continuing to come in each day with a positive attitude and smile on your face, you are appreciated!

## APRIL STUDENTS OF THE MONTH:
