

Project SEARCH NEWS

A Partnership between War Memorial Hospital, EUPISD and Michigan Rehabilitation Services

Please join us for our 2021 Graduation!

The Graduation Ceremony will take place at War Memorial Hospital on the side lawn off of Spruce Street on June 28, 2021 at 3:00 PM. (Near the Gazebo, under the Long Term Care Solarium). Look for the tent!

Limited parking available behind the Hospital. The First Church of Christ at 300 Spruce Street, is reserving their parking lot for Graduate Families and school staff.

Upcoming Important Dates

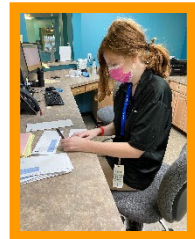

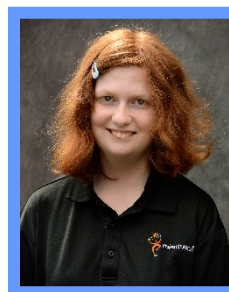

May 31: No Program, Memorial Day

June 4: No Program, Staff Professional Development

June 28: Graduation

Intern Spotlight

This Month we are spotlighting Chelsea Adams. Chelsea is from Sault Ste. Marie and graduated from Sault Area High School last year. When Chelsea is not at Project SEARCH, she likes to watch videos, go outside, and hang out with friends. After Project SEARCH, Chelsea is not completely sure of what she would like to do for work, but she enjoys office tasks. Chelsea has completed internships in Physician Practices, Patient Financial Services and at the CHAC (Community Health Access Coalition). She really enjoys interning at CHAC because the people are really friendly and she enjoys the projects.

Chelsea says “I made some new friends and the people are interesting. I’ve got to know stuff at Project SEARCH that I didn’t know before.”

Andrea Osborn, the Executive Director of Community Health Access Coalition says “Chelsea has grown in her confidence and independence while working within the CHAC office. She has developed and strengthened her skills completing a client record system update, confirming Medicaid coverage via the CHAMPS State verification system, and compiling data needed for a contract report. Chelsea thrives when given a challenge within her skill scope to not only meet the goal but exceed it.”

On-Site Program Staff

Kelli Fenlon, Coordinator/Instructor

Jessie Piippo & Jen Brown, Skills Trainers
