

UTILIZATION OF THE DISTRICT’S WEBSITE AND REMOTE ACCESS TO THE DISTRICT’S NETWORK

Authorized users of remote access to DISTRICT network are required to abide by the terms set forth in DISTRICT Board Policy 7540 and 7543 and corresponding Administrative Guidelines. Employees and contractors are required to sign Form 7540.04 *Staff Technology Acceptable Use and Safety Agreement*. In the absence of a local district policy regarding remote access, EUPISD Board Policy 7543 shall be utilized. Any employee or contractor who violates this policy may be disciplined, up to and including termination; any contractor, vendor, and/or agent who violates this policy may have his/her contract with the district terminated.

NETWORK SYSTEM ACCESS \$150 PER LICENSED USER

Access is established on an annual basis (July 1 – June 30) for employees and contractors. Contractor access is set to an inactive state and will be activated only upon direct request of DISTRICT Superintendent, or their named designee, and is limited to 72-hour periods of time. DISTRICT Superintendent, or their named designee, shall notify the EUPISD Director of Technology in writing via email to euptechnology@eupschools.org when the employment or contract with named user has terminated.

Indicate which network system(s) for which this security agreement applies.
