However, Consultant/Vendor would continue to be bound specifically by the Ownership, Indemnification and Confidentiality, and data retention provisions, which would run to the benefit of and be enforceable by the Eastern Upper Peninsula Intermediate School District, as well as MDE-OGS, after termination, assignment or expiration of this Contract.

S. Transition Responsibilities

Upon termination or expiration of this Contract for any reason, Subrecipient must, for a period of time specified by the State (not to exceed 90 calendar days), and within the current Contract period, provide all reasonable transition assistance requested by the State, to allow for the expired or terminated portion of the Contract Activities to continue without unplanned, significant or material interruption or adverse effect within Eastern Upper Peninsula Intermediate School District or Resource Center's control, and to facilitate the orderly transfer of such agreed upon SOW Activities to the State or its designees. Such transition assistance may include, but is not limited to: (a) continuing to perform the SOW Activities at the established Contract rates within the current Contract period or as negotiated for work beyond the current Contract period, if done so in advance of the current Contract period end date; (b) taking all reasonable and necessary measures to transition performance of the work, including all applicable and agreed upon SOW Activities, training, equipment, reports and other documentation, to the State or the State's designee; (c) taking all necessary and appropriate steps, or such other action as the State may direct, to preserve, maintain, protect, or return to the State all materials, data, property, and confidential information provided directly or

T. Contract Inclusiveness/Amendment

This Contract contains all the terms and conditions agreed upon by the parties. No other understanding, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto. If a revision to federal or state law or regulation occurs, that in the Eastern Upper Peninsula Intermediate School District sole discretion, requires that this Contract be amended, then Eastern Upper Peninsula Intermediate School District will propose an amendment to the Contract that reflects the revision of the law or regulation. If the Subrecipient refuses to sign such amendment within fifteen (15) days after receipt, this Contract shall, in the sole discretion of the Eastern Upper Peninsula Intermediate School District, either (a) automatically be amended to reflect the revision of the law or (b) terminate upon such refusal. Except as otherwise provided above, this Contract may be amended only by the written consent of all the parties hereto.

U. Stop Work Orders

Under the Grant Contract, the state of Michigan has reserved the right to issue a stop order. Accordingly, Eastern Upper Peninsula Intermediate School District may, at any time, by written stop work order to the Subrecipient, require that the Contractor stop all, or any part, of the work called for by the Contract for a period of up to ninety (90) calendar days after the stop work order is delivered to the Subrecipient, and for any further period to which the parties may agree. The stop work order will be specifically identified and will indicate that it is issued under this Section of the Contract and include the reasons for the stop work order. Upon receipt of the stop work order, the Subrecipient will immediately comply with its terms, and take all necessary and reasonable steps to minimize the incurrence of costs allocable to the work covered by the stop work order during the period of work stoppage.

If a stop work order issued under this Section of the Contract is canceled, or the period of the stop work order, or any extension thereof expires, the Subrecipient will resume work. The parties will agree upon an equitable adjustment in the services to be delivered, the Subrecipient price, or both, and the Contract will be modified, in writing, accordingly, if:

- a. the stop work order results in an increase in the time required for, or in the Subrecipient's cost properly allocable to the performance of any part of this Contract; and
- b. the Subrecipient asserts its right to an equitable adjustment within thirty (30) calendar days after the end of the period of work stoppage, provided that, if Eastern Upper Peninsula Intermediate School District decides the facts justify the action, Eastern Upper Peninsula Intermediate School District may receive, and act upon, a Subrecipient billing submitted at any time before final payment under the Contract.

SECTION II. SCOPE OF WORK PLANS

Contained within this Section:

- A. Performance Monitoring Requirement
- B. Activities Allowed
- C. Deviations from Scope of Work Plans
- D. Scope of Work Changes

A. Performance Monitoring Requirements

The Resource Center Director will be the primary contact for Eastern Upper Peninsula Intermediate School District regarding performance concerns. x will work with Resource Center Directors to seek their understanding and response to performance concerns. EASTERN UPPER PENINSULA INTERMEDIATE SCHOOL DISTRICT's goal will be to achieve satisfactory resolution of performance concerns within reasonable time frames. Should Eastern Upper Peninsula Intermediate School District not be able to achieve satisfactory resolution within a reasonable period of time from the Resource Center Director, Eastern Upper Peninsula Intermediate School District will then contact the Resource Center Director's Supervisor and/or the identified Organization lead or board.

Each Resource Center Director, and appropriate staff, will participate in scheduled on-site reviews, which will be conducted by Eastern Upper Peninsula Intermediate School District. These reviews will occur at a frequency determined by the Eastern Upper Peninsula Intermediate School District to assure that the annual plan of work and this Contract are being viably implemented.

Lack of adequate progress, as determined by Eastern Upper Peninsula Intermediate School District, within each quarter, may subject the Resource Center to a Corrective Action Plan. Lack of adequate progress, as determined by Eastern Upper Peninsula Intermediate School District, for more than one quarter will subject the Resource Center to further corrective action, as determined by Eastern Upper Peninsula Intermediate School District. Inadequate resolution of persistent performance concerns, as determined by Eastern Upper Peninsula Intermediate School District, will result in the termination of the Contract.

In addition, the Eastern Upper Peninsula Intermediate School District reserves the right to perform unscheduled on-site visits during normal business hours, to monitor the Subrecipient's activities under this Contract at any time, either during the term, or within one year after termination of the Contract. The Subrecipient shall cooperate with the Eastern Upper Peninsula Intermediate School District during the monitoring process by making available all records, facilities, and other resources necessary to perform the review.

If the Eastern Upper Peninsula Intermediate School District detects noncompliance with this Contract, and/or questioned costs during an on-site visit review, these items shall be identified and conveyed to the Subrecipient in an exit conference. The Eastern Upper Peninsula Intermediate School District shall provide the Subrecipient with a detailed written report of these findings within thirty (30) days of the exit conference. The Subrecipient is required to address each item in the Eastern Upper Peninsula Intermediate School District report by providing a Corrective Action Plan (CAP) to eliminate or correct each issue of noncompliance. The Subrecipient shall submit the CAP to the Eastern Upper Peninsula Intermediate School District within thirty (30) days from issuance of the Eastern Upper Peninsula Intermediate School District report. Eastern Upper Peninsula Intermediate School District will monitor completion of the CAP in conjunction with the Subrecipient.

If the Eastern Upper Peninsula Intermediate School District identifies questioned costs that cannot be substantiated or that are disallowed under the Contract, then the Eastern Upper Peninsula Intermediate School District may, at its discretion, and after consultation with the Subrecipient, require the Subrecipient to submit a reimbursement to the Eastern Upper Peninsula Intermediate School District to reflect adjustment for disallowed costs. The Subrecipient must submit reimbursement for disallowed costs within 5 days of any notice of a disallowed cost from Eastern Upper Peninsula Intermediate School District. If the Subrecipient fails to comply with monitoring requirements as set forth in this Contract, and within allotted time frames mutually established, the Eastern Upper Peninsula Intermediate School District may, at its discretion, invoke sanctions on the Subrecipient, which may include, but are not limited to, actions to collect disallowed costs and/or cancellation of the Contract.

B. Activities Allowed

Activities allowed or prohibited shall be determined in accordance with the Uniform Guidance. The Superintendent and/or Grant Coordinator will monitor activities for allow ability. Appropriate state and federal agencies will be contacted when there are questions related to the allow ability of specific costs before the funds are charged to federal grants.

C. Deviations from the Work Plan

Subrecipient and Eastern Upper Peninsula Intermediate School District agree that specific timelines and metrics have been set by Contract of both parties in connection with the CCDF work. The parties agree that these timelines and metrics are vital to the success of the projects being handled by Subrecipient.

Unless separate Contract has been made in writing between Subrecipient and Eastern Upper Peninsula Intermediate School District, a deviation from a project work plan will be considered a material breach of the Contract when the Contract obligations of Subrecipient have not been finalized for 15 days after the expected project due date.

Eastern Upper Peninsula Intermediate School District and Subrecipient agree that a material breach of Contract in connection with the project work plan may result in penalties and the following procedures will apply:

- A. Eastern Upper Peninsula Intermediate School District will monitor Contract/subrecipients/partners utilizing three accountability elements –the plan of work, progress monitoring meetings, and reporting -as key mechanisms for tracking progress and the provision of on-going support.
- B. Subrecipient will be required to provide evidence of adequate progress against relevant performance measures identified in the Contract. Subrecipient will report this at the end of each quarter throughout the Contract period as detailed in the annual SOW Plan Reporting Requirements.
- C. Full payment will not be made to Subrecipient unless Eastern Upper Peninsula Intermediate School District is satisfied with the quality of the deliverable and/or progress demonstrated toward identified activities, tasks, and milestones. Corrective action plans may be required for noncompliance, nonperformance, or unacceptable performance for Subrecipient. A withholding of up to 10% of designated funds, to be determined based on the impact of the breach, may be imposed for failure to implement, or make acceptable progress on such corrective action plans.

A deviation from the project plan that is not beyond 15 days of the project due date will not be considered a material breach of the Contract, and an Amendment can be proposed by Subrecipient to maintain good standing.

D. Scope of Work Changes

If the Subrecipient deems a change necessary to the Scope of Work, the Subrecipient will notify the Contracts Administrator regarding these changes. Any proposed change(s) will be assessed to determine the reason(s) behind the need for a change and the potential impact to the program. No change to the Scope of Work will be made without explicit permission from Eastern Upper Peninsula Intermediate School District administration. Changes will be documented in writing and signed by both parties.

SECTION III. FISCAL MANAGEMENT

Contained within this Section:

- J. Audit Sanctions
- K. Warranties & Representations
- L. Management Responsibility

No commitment is made by the Eastern Upper Peninsula Intermediate School District to continue or expand activities covered by this Contract beyond any funding that is actually provided to Eastern Upper Peninsula Intermediate School District by government sources. Funding for services to be provided beyond the end of the current fiscal year is dependent on legislative appropriation. Based on the availability of funds in each fiscal year covered by this Contract and based on the Eastern Upper Peninsula Intermediate School District determination of the volume of service needed on a yearly basis, this Contract may require amendment proposed by Eastern Upper Peninsula Intermediate School District. The amendment shall specify the dollar amount and volume of service to be purchased in each fiscal year subsequent to the current fiscal year.

B. Allowable Costs

Allowable costs shall be determined in accordance with Uniform Guidance, 2 CFR 200 program legislation, Federal awarding agency regulations, and the terms and conditions of the awards.

The following steps are to be followed to ensure appropriate monitoring of participating agency requests for grant funds:

The participating subrecipient agency is required to complete the form for any fund requests and they are required to attach copies of all applicable detail such as general ledger documentation.

Any unallowable costs shall not be charged to the Federal program and will not be paid to the participating subrecipient agency.
- Suspension and Debarment is reviewed by the Finance Coordinator on the System for Award Management (SAM) prior to awarding a contract or conducting business with an individual or organization that directly or indirectly submits to be a contractor or subcontractor to ensure they have not been suspended or debarred.
- When the Finance Coordinator is satisfied that the request for funds meets all of the Federal requirements of the grant, the request is processed for payment to the participating subrecipient agency.
- Federal Funds are requested by the Finance Coordinator upon the request being processed for payment to the participating subrecipient agency.

Ensure that subrecipients expending \$750,000 or more in federal awards during the sub-recipient's fiscal year have met the audit requirements for that fiscal year.
